

Winston & Strawn Assists The Gambia in Arbitration Matter

JULY 20, 2021

Winston & Strawn assisted the government of The Gambia in negotiating a funding agreement with a boutique third-party funder. The firm's assistance enabled the country to improve its standard funding agreement's terms to include stipulations highly favorable to The Gambia and limit the risks of exposure in case of termination.

"[Y]our team played a central role in pushing the negotiations towards a satisfactory conclusion, culminating in the execution of the Funding Agreement," said Hussein Thomasi, Solicitor General and Legal Secretary of The Gambia.
