

# Antitrust and Competition Law: Overview and Trends

MAY 25, 2023

Winston Partner Jeffrey Amato presented a seminar titled “Antitrust and Competition Law: Overview and Trends” which is available on-demand on LexVid, a leading national CLE provider. Jeffrey’s program covers the goals of antitrust law, the penalties and liabilities, horizontal and vertical restraints, monopolization, and merger review. He discusses recent enforcement trends, including where antitrust law is headed and how it is influenced by politics and judicial decisions.
