

Winston and Toyota Team Up to Support Veterans in Dallas

NOVEMBER 15, 2023

Winston attorneys and members of Toyota's legal department recently teamed up to help veterans at a pro bono legal clinic in Dallas, which was sponsored by the Dallas Volunteer Attorney Project.

The monthly legal clinic for veterans is a way for lawyers to give back to these heroes for their selfless service and the sacrifices they made to help protect our nation. The clinics are held on the first Friday of every month at the VA Medical Center in Dallas. At the clinics, attorneys assist with a wide array of legal issues including domestic relations, housing, consumer rights, public benefits, and certain veteran-related concerns such as discharge upgrades or VA proceedings.
