Opened in 2017, Winston & Strawn's Dallas office is located in the cultural and economic epicenter of DFW, the fourth largest metropolitan area in the U.S. and the fastest growing over the last year. Our Dallas attorneys litigate both high-stakes civil and criminal matters, including major state and federal trials and appeals nationwide, and represents clients in complex transactional

matters. Under the leadership of Bryan Goolsby and Thomas M. Melsheimer, our office—made up of 85+ attorneys—continues to expand, attracting some of the country’s top legal talent to meet the increased needs of the many technology, investment, and health care companies that are increasingly making Dallas their home.

Our Dallas office has established a tradition of giving back to the community through a wide range of volunteer, charitable, and pro bono activities—we contributed nearly 5,000 pro bono hours in 2022. Our office regularly hosts pro bono intake clinics in collaboration with the Dallas Volunteer Attorney Program, providing free legal assistance to low-income residents and addressing pressing issues related to family law, eviction, and government benefits. We also aid The National Hispanic Institute (NHI), helping them with corporate governance, policy and procedure enhancement, and crisis management, and in turn, received NHI’s “Citation of Merit for Dedicated Service to Latino Youth.” Furthermore, we helped launch the inaugural Partners 4 Hope campaign, joining forces with other firms to raise funds for the North Texas Food Bank. In addition, each year our summer associates volunteer at The Stewpot, where we serve dinner at its Second Chances Café.

“ I continually find that the quality of the people—both personally and professionally—and the quality of work has surpassed my expectations. I feel lucky to have started my career at Winston. ”
